

HB 2306 -- CONCEALED CARRY PERMITS FOR ACTIVE MILITARY MEMBERS

SPONSOR: Conway (104)

This bill allows an active military member who knows he or she will be deployed when his or her concealed carry permit is scheduled to expire to renew the permit in advance. The expiration date of the renewed permit will be five years from the last day of the month in which the previous permit was issued or renewed.

This bill further states that if a person on active military duty can show that he or she was deployed at the time his or her concealed carry permit expired, the late fee for renewal will be waived.
